# **“Working as a Licensed Site Remediation Professional”**

**November 18, 2009**

NJWEA's Site Remediation Committee has been providing training for over 20 years for site remediation professionals. This full day session is being conducted in conjunction with the newly formed Licensed Site Remediation Professional Association (LSRPA) to bring you the most up-to-date information on how to perform effectively as a LSRP in New Jersey.

**Note:** Program Materials will be emailed to attendees **PRIOR** to the seminar for those who wish to print materials to bring with them to the seminar. This program qualifies for 5 TCH's.

### **PROGRAM OVERVIEW**

#### **8 AM Registration and Continental Breakfast**

**First AM Panel: Program Framework** (Moderator, **Joseph Fallon, President, The ELM Group, Inc.** and Chair NJWEA Site Remediation Committee)

Join in a discussion of the experience with the Massachusetts Licensed Site Professional (LSP) program and **NJDEP Assistant Commissioner Irene Kropp** on the program similarities, and how the NJ program is different.

**Second AM Panel: Interim Regulations and Oversight** (Moderator, **Biff Lowry, NJDEP**)

This panel will be led by key NJDEP personnel responsible for the implementation and auditing functions during the early stages of the LRRP program, as well as knowledgeable LSRPA members. Topics to include:

- Existing and Interim Rules
- Applicable Standards, Guidance Documents and Presumptive Remedies
- Enforcement and the role of the Licensing Board for Licensed Site Remediation Professionals

#### **Lunch Break**

**First PM Panel: Business Issues** (Moderator, **Michael van der Heijden, Woodward & Curran**)

Our first panel in the afternoon will focus on the business issues and impacts of the LSRP program on small and large firms in our field. Topics to include:

- Contracts with Clients and agreements with LSRP employees
- Insurance considerations
- Potential due diligence conflicts in firms with LSRP's

**Second PM Panel: Working as a Licensed Site Remediation Professional** (Moderator, **Peter Postorino, President, AWT Environmental Services**)

Our last panel of the day will focus on some practical issues, including:

- Moving ahead: what is best path (LSRP or not) for existing or new cases including impact on public funding
- Client Relationships and the LSRP Code of Conduct
- Decision making and documentation (LSRPA rep)

#### **4 PM Wrap-up and Adjourn**
