

PVSC Wastewater Apprentice / Maintenance Apprentice

PVSC is currently seeking to fill both Wastewater Apprentice and Maintenance Apprentice positions in the Operations and Maintenance departments. Applicants must possess a high school or vocational school diploma or equivalency certificate, and should be prepared to undertake challenging work. A competitive benefits package is offered including health care coverage and paid vacation and sick days.

Completed applications should be sent to Mr. Harry D. Mayo III, Director of Human Resources, Passaic Valley Sewerage Commissioners, 600 Wilson Avenue, Newark, New Jersey 07105. PVSC is an equal opportunity employer.
