CDM
Raritan Plaza I, Raritan Center - 3rd Floor
Edison, NJ 08818

THE PROBLEM: Safe drinking water, basic health, hygiene education and sanitation facilities are nonexistent for impoverished people in the developing countries throughout the world. Everyday, approximately 6,000 people, mostly children, die as a result of water-related causes.

THE SOLUTION: The AWWA NJ Water For People Committee raises money throughout the year with various fundraising events, including the Annual Wine Pairing Dinner in October and the Annual Water For People Golf Classic in May to help fund Water For People projects.

Water For People is an international nonprofit development organization committed to long-term sustainable solutions that increase access to safe drinking water and improve sanitation conditions in developing communities. Water For People has found that providing safe drinking water to a community can serve as a catalyst for greater community development.

Silent Auction (8:00 to 10:30pm)

Auction items include sports tickets and memorabilia, wine, restaurant gift certificates, golf foursomes and much more. All auction proceeds will be donated to Water For People. Cash, checks and credit cards accepted.

Interested in donating an item to the silent auction to help raise money for Water For People? All donations will receive recognition at the event and are tax deductible. If you have an item or service you would like to donate, please contact Christie Arlotta at 732.590.4690, or ArlottaC@cdm.com
