

Present Your Work at the NJWEA John J. Lagrosa 109th Conference in Atlantic City

Submit an Abstract – Due by November 30, 2023

Be a part of the outstanding technical program and showcase your environmental contributions at NJWEA's Annual Conference by submitting an abstract for consideration to present in Atlantic City at the Association's 109th Annual Conference. The NJWEA is soliciting abstracts on water quality topics of interest to our community including the following:

Students and Young Professionals Speaker Challenge

The NJWEA encourages young professionals to participate in and speak at the NJWEA Annual Conference. The Young Professionals committee will hold a Speaker Challenge open to all Young Professional WEF members. They will be evaluated on their presentation skills, presentation content and audio/visual elements. Winning speakers will be awarded with first (\$300), second (\$150) and third (\$50) place prizes at the closing breakfast on Friday.
