Vice President: Eric Reichert (973) 294-1588

Secretary: Roseann Pettrow (732) 850-0100

October 25, 2019

Dear Supporting Sponsors:

The New Jersey Water Environment Association - Central Section will host their annual **Scholar Awards Dinner Dance on Saturday, January 18th, 2020** at the Bridgewater Manor, Bridgewater NJ. This event honors deserving students by awarding scholarships funded in part through our Golf Outing event held in August. We have been able to provide scholarships to deserving graduating high school students for over 10 years. **We have four (4) \$2,000 Scholarships to award this year.** Our members are dedicated to the improvement of our environment through education and we are proud to be a part of the oldest environmental organization in the State of New Jersey.

We hope you would consider helping us by sponsoring this event. The funds raised at our Golf Outing help cover the actual scholarships. The Awards Dinner has many costs above the per plate price. Our partnership with our sponsoring vendors has proven to be very successful, and we have always worked together to make it a memorable evening for our scholarship recipients. We hope to continue to do so with your support.

All Sponsors will be recognized at Scholarship Awards Dinner and in the Awards Booklet.
