2021 Legacy Scholarships and Awards

As you are aware, the COVID-19 global pandemic caused the NJWEA North Section to change many of its activities over the last year. This year more than ever we are aware of the importance of our purpose and mission which includes meeting the needs of the Annual Scholarship awards. Despite being a few weeks later this year, we are pleased to move ahead with the 2021 Section Legacy Scholarships and the David N. Baker Memorial Scholarship.

With the cancellation of the popular dinner dance and awards night a different approach to honoring and awarding the deserving recipients needed to take place. As of this date we are pleased to report that all of the 2021 scholarships were individually presented to the recipients. The section's traditional Annual Frank S. Miller Awards and membership book with supporting vendor industry advertisements is being launched as an eBook edition. Our Section's T. William Cleveland Meritorious Service Award will be presented during the November Beefsteak event.

The executive committee, supported by the generosity of our many vendors, are proud to support students seeking to become professionals in the wastewater industry an opportunity to further excel in this field of study.

Thank you to all who helped make this possible and a hearty congratulations to all of the well-deserving scholarship winners.

Sincerely,

John Corkery

T. William Cleveland Meritorious Service Award

T. William Cleveland, Jr. retired in 1978 at the Licensed Wastewater Treatment Plant Operator for the Township of Livingston after 38 years of devoted service to the municipality. In addition to his professional service, he served 58 years with the Livingston Volunteer Fire Department. He served as President of the North Jersey Section of the New Jersey Water Environment Association, known then as the New Jersey Water Pollution Control Association, from 1984 to 1986. He also served the NJWEA as a dedicated member of the Annual Conference Committee. "Bill" as he was known to his friends, was a fixture at the Annual Conference and Section meetings. He would always be found attending to others in the Conference Hospitality Room or at the Annual Section Picnic. In 1974, the Section created a new recognition award to distinguish an individual member's extraordinary service to the Section. Our dear colleague T. William Cleveland Jr. was the first recipient of what was to become the most prestigious Section Award. Following his receipt of the award, the Section Executive Committee announced that henceforth the North Jersey Section Award for *extraordinary service* to the Section shall be known as the *T. William Cleveland, Jr. Meritorious Service Award*. Among his many other recognitions, Bill was a Life Member of the NJWEA, a Select Society of Sanitary Sludge Shovelers (S-5) member, and recipient of the Water Environment Federation's Arthur Sidney Bedell and NJWEA's Harry P. Croft Service Awards.

Rebekah Altman

Rebekah is a sophomore student at Union County College, where she pursues an Associate's Degree in History. She is president of the History Club, as well as an officer of the Phi Theta Degree Honor Society. Rebekah is part of the American Honors program and NJ Stars program, where she serves on the council and leads monthly community service events such as group hikes, and park cleanups in Cranford, NJ, as well as food banks in Elizabeth. Besides school, Rebekah works as a seasonal maintenance worker for the Union County Archery Range located in Oakridge Park in Clark, NJ. She also works in the Academic Learning Center at Union County College as a peer tutor for English, History, and Biology. Her hobbies include journaling, reading, and growing plants, such as bonsai trees. Rebekah hopes to transfer to Drew University in the fall of 2021. Once she obtains her Master's Degree, Rebekah endeavors to become a Museum Director, and educate others about vital environmental events that shaped history such as the Dust Bowl, and the Civilian Conservation Corps (CCC) in the 1930's.

David N. Baker Memorial

Service Scholarship

“It is the intent of the membership of the NJWEA North Jersey Section that the David N. Baker Memorial Service Scholarship be awarded to a deserving applicant who, by their sustained actions, has demonstrated a sincere and significant commitment to the service of our nation and to civic and community volunteerism, in much that same spirit as Dave Baker who faithfully served our country, community and organization throughout his life”.

David N. Baker was attending the Newark College of Engineering (now known as New Jersey Institute of Technology) when he answered the call to serve our country and he served with distinction. As a United States Army Staff Sergeant during the Vietnam War Dave was awarded the Silver Star for “Gallantry in Action”. During Staff Sergeant Baker’s 13 months “in country” he also received 3 Purple Hearts because of injuries sustained in combat, one of which were duty to wounds he sustained when he and a fellow soldier were the target of a Vietnamese mortar round. Dave was also awarded the Bronze Star for “Bravery Under Fire.”

Staff Sergeant Baker’s Silver Star was earned during a firefight that when his unit was taking on fire he felt compelled to assist the medic who was dragging wounded soldiers back under cover. When his Unit’s machine gunner was wounded Staff Sergeant Baker ran to the machine gun position and manned the weapon, providing cover fire to allow the additional wounded to be dragged to safety.

Following his tour in Vietnam, Staff Sargent Baker served on a burial detail choosing to honor the fallen in that capacity for the remainder of his commitment to the United States Army. In civilian life he retired as Director of Public Works for the Village of Ridgewood, NJ in 2005 having worked for the village for 38 years. He was a NJ Certified Public Works Manager, a member and Past Regional President of the NJ Public Works Association and Past President of the North Jersey Section of the New Jersey Water Environment Association. He also served on the NJWEA Executive Committee and was the recipient of numerous professional awards.

David N. Baker Memorial Service Scholarship 2021 Recipient

Tyler Wisniewski

Tyler Wisniewski is a high school senior at the Marine Academy of Science and Technology, which has a core focus on STEM as well as a distinguished NJROTC unit with academic honors. This is where he developed a passion for engineering and robotics. He was 1 of 75 students selected to attend MAST from applicants from 45 towns.

Tyler is an active member of the competition NJROTC drill team, President of the National Honor Society, and Vice President of the Key Club where he has completed 100's of hours of community service. He is also a 4-year varsity letter recipient for the sport of lacrosse at Middletown, High School South.

Currently, he holds the billet of Battalion Training Officer where he directly oversees the Academics, Athletics, Orienteering, and Drill departments in the #1 ranked NJROTC unit in Area Four. He was recently awarded the Stephen DeCatur Award from the Surface Navy Association for possessing the Navy's core values of Honor, Courage and Commitment.

After high school, he will attend Cornell University's College of Engineering in Ithaca, NY. Tyler commends and appreciates the NJWEA North Jersey Section for their commitment to education.
