To NJWEA Exhibitors and Supporting Organizations  
From: NJWEA Conference Committee  
Subject: John J. Lagrosa 105<sup>th</sup> Annual Conference and Exposition, Cancellation

With regret the NJWEA must announce that the 105<sup>th</sup> John J. Lagrosa Annual Conference and Exhibition of the NJWEA, that had previously been rescheduled for July 27 - 30, 2020 has been cancelled.

The Association takes seriously our Mission to provide the highest quality training to our members at the most favorable price point. We remain dedicated to being the preeminent source for continuing education in the water environment professions in New Jersey.

That said, the health and safety of our members, guests and supporters must take precedence. As the risk associated with assembling in large groups during the COVID-19 outbreak has not abated the Officers concluded that a meeting of any kind, at this time, posed an unacceptable risk to attendees.

Prepaid Exhibitor and Sponsorship Fees:

The generosity of the NJWEA's business and professional members is unmatched. On behalf of the Associations Officers and Members we wish to thank you for your continued support during these trying economic times.

We ask those firms that have refunds due resulting from the cancellation of the 2020 Conference to advise us as to how they wish us to proceed with the 2020 Conference Payments that the Association has on deposit. The alternatives being as follows:

- 1 - Apply the payments toward the 2021 Annual Conference scheduled for May 2021.
- 2 – Apply the payments toward additional advertising in the print Publications of Effluents and or SCAN.
- 3 – Apply the payments toward the expanded Autumn 2021 Technology Transfer Seminar
- 4 – Receive a refund in full of all 2020 Conference Exhibit and Sponsorship Payments on deposit with the Association.

Please email Darlene Galbraith, Association Registrar at [dgalbraith@njwea.org](mailto:dgalbraith@njwea.org) with your instructions.
