For TCH courses, you should remember the following:

- The course registrant name must appear EXACTLY as it appears on your license.
- The license number must appear EXACTLY as it appears on the license (with 7 digits including all zeros). Only one license needs to be entered.
- The license classification must appear EXACTLY as it appears on the license.

Information must be LEGIBLE, or no course credit will be issued.

Remember!! Responsibility for obtaining adequate TCHs for license renewal rests with the licensee.  
Following the above protocol greatly eases tracking your TCHs.
