T. William Cleveland Meritorious Service Award

T. William Cleveland, Jr. retired in 1978 at the Licensed Wastewater Treatment Plant Operator for the Township of Livingston after 38 years of devoted service to the municipality. In addition to his professional service, he served 58 years with the Livingston Volunteer Fire Department. He served as President of the North Jersey Section of the New Jersey Water Environment Association, known then as the New Jersey Water Pollution Control Association, from 1984 to 1986. He also served the NJWEA as a dedicated member of the Annual Conference Committee. "Bill" as he was known to his friends, was a fixture at the Annual Conference and Section meetings. He would always be found attending to others in the Conference Hospitality Room or at the Annual Section Picnic. In 1974, the Section created a new recognition award to distinguish an individual member's extraordinary service to the Section. Our dear colleague T. William Cleveland Jr. was the first recipient of what was to become the most prestigious Section Award. Following his receipt of the award, the Section Executive Committee announced that henceforth the North Jersey Section Award for *extraordinary service* to the Section shall be known as the *T. William Cleveland, Jr. Meritorious Service Award*. Among his many other recognitions, Bill was a Life Member of the NJWEA, a Select Society of Sanitary Sludge Shovelers (S-5) member, and recipient of the Water Environment Federation's Arthur Sidney Bedell and NJWEA's Harry P. Croft Service Awards.

Previous Recipients

2023- Dan Carey
2022- James Wancho
2021 - Christopher Pabst
2020 - Chuck Theodora
2019 - Samuel T. McGhee
2018 - Francis J. Bonaccorso
2017- Fran Pestana
2016- Mario Bonaccorso
2015 - Robert J. De Block
2014- Terrence McHugh
2013- Ramon Vara
2012- Vicky De Block
2011- Robert Cornetto
2010- John McNamara
2009- Brian Bigler
2008- Mark Meneghin
2007- John Corkery
2006- Jack Kennedy

2005 - Robert Fischer
2004 - Robert Davenport
2003 - Richard Taylor
2002 - Ralph LaMendola
2001 - David N. Baker
1999 - Kenneth Hrasdzira
1998 - Richard Jenkins
1997 - Daniel Cardellichio
1996 - Joseph Bonaccorso
1995 - James DeBlock
1994 - Bob Ryan
1992 - Barry Johnston
1991 - George Baer, Jr.
1990 - Stephen Dowhan
1989 - Gregory F. Burde

1988 - Daniel J. Bigler
1987 - Donald Eelman
1986 - Robert Grodeska
1985 - Father Boniface Cronin
1984 - Bruce D. Smith
1983 - Robert S. Chew
1982 - Michael J. Lyons
1981 - Joshua J. Krechel
1980 - John Peraldo
1979 - George Moussab
1978 - Anthony P. Loria
1977 - Daniel E. Bigler
1976 - Frank X. Coppola
1975 - John J. Lagrosa

1974 - T. William Cleveland, Jr.

**This award is therefore given to a person who has provided extraordinary service to the Section.
The Nominee is selected by previous recipients and unaware that they will be so honored.**

Franklin Miller grinders can make a real difference in your plant. From wipes and rag mops to wood and debris, in sewage or sludge, these grinders make problem solids free-flow and keep your pumps and equipment running smoothly, so you don't get those late-night repair calls. With such features as *Full-Cut™* grinding and *Cutter Cartridge®* technology, these grinders are proven to outlast and outperform any other brand. If you're tired of impossible-to-repair grinders and inferior imports, choose a Franklin Miller grinder for proven, American-built reliability and innovative design. Make your next grinder a Franklin Miller – the grinder you deserve.

Robert Fischer, Eva Bendlin, and Stephen D'Achino 2023 Legacy Scholarship Awards

Eva Bendlin Legacy Award

My name is Sydney B. Kropiewnicki and I am a senior at Immaculate Heart Academy High School in Washington Township, NJ. I plan on pursuing Environmental Engineering in college. Currently, I am in the Mu Alpha Theta Mathematics National Honor Society, Rho Kappa National Social Studies Honor Society, and the National English Honor Society. Outside of academics, I am interested in reading, volleyball (2022 NJ State Champs), traveling, baking, volunteering, and gardening. Thank you.

Robert Fischer Legacy Award

Veronica Komorek is a senior at John F. Kennedy Memorial High School in Iselin, NJ. She is a member of the National English Honor Society and the Science National Honor Society, as well as a participant in volunteer events at her school's Key Club. She has also been involved with her town's annual cleanup and is a member of her school's Eco-Friendly Club. In addition, Veronica is a competitive tennis player, having been first singles on her school team for 3 years and has been playing tournaments outside of school. She works at her tennis club by helping coach younger kids. Veronica has run several book drives within her community for various charities and causes, and has collected over 1,000 books in total. She also volunteers at the Kosciuszko Foundation, an organization that aims to promote Polish culture and

history in the U.S. She has been accepted to Stevens Institute of Technology, Villanova University, Rutgers University New Brunswick, and Rensselaer Polytechnic Institute, where she is planning to study Biochemistry with a minor in Environmental Science.

Robert Fischer, Eva Bendlin, and Stephen D'Achino 2023 Legacy Scholarship Awards

Steve D'Achino Legacy Award

My name is Kyla O'Brien, a 17-year-old senior at Hackettstown High School in Hackettstown, NJ. I am pursuing a college major in architectural and mechanical engineering with a minor in physics at Drexel University. I plan to complete their 3-2 program which would allow me to graduate with my Bachelors of Science in Physics and my Masters in my specific field of Engineering. I am a 3-year Honor Society Student holding a GPA of 3.74, 2 sports Varsity Letter holder in Softball and Volleyball. When I am not engulfed in my scholastics, sports, or work I participate in various community service programs with my local church, youth tutoring, food, and blood drives as well

as clinics and training camps for young athletes. My favorite pastime of all is building and coding!! From Legos and robots to complex furniture if it has to be solved, engineered, and built SIGN ME UP!!! Thank you very much for awarding me this scholarship and the opportunity to move closer to my dreams!

David N. Baker Memorial

Service Scholarship

"It is the intent of the membership of the NJWEA North Jersey Section that the David N. Baker Memorial Service Scholarship be awarded to a deserving applicant who, by their sustained actions, has demonstrated a sincere and significant commitment to the service of our nation and to civic and community volunteerism, in much that same spirit as Dave Baker who faithfully served our country, community and organization throughout his life".

David N. Baker was attending the Newark College of Engineering (now known as New Jersey Institute of Technology) when he answered the call to serve our country and he served with distinction. As a United States Army Staff Sergeant during the Vietnam War Dave was awarded the Silver Star for "Gallantry in Action". During Staff Sergeant Baker's 13 months "in country" he also received 3 Purple Hearts because of injuries sustained in combat, one of which were duty to wounds he sustained when he and a fellow soldier were the target of a Vietnamese mortar round. Dave was also awarded the Bronze Star for "Bravery Under Fire."

Staff Sergeant Baker's Silver Star was earned during a firefight that when his unit was taking on fire he felt compelled to assist the medic who was dragging wounded soldiers back under cover. When his Unit's machine gunner was wounded Staff Sergeant Baker ran to the machine gun position and manned the weapon, providing cover fire to allow the additional wounded to be dragged to safety.

Following his tour in Vietnam, Staff Sargent Baker served on a burial detail choosing to honor the fallen in that capacity for the remainder of his commitment to the United States Army. In civilian life he retired as Director of Public Works for the Village of Ridgewood, NJ in 2005 having worked for the village for 38 years. He was a NJ Certified Public Works Manager, a member and Past Regional President of the NJ Public Works Association and Past President of the North Jersey Section of the New Jersey Water Environment Association. He also served on the NJWEA Executive Committee and was the recipient of numerous professional awards.

David N. Baker

Memorial Scholarship

"It is the intent of the membership that the David N. Baker Scholarship be awarded to a deserving applicant who, by their sustained actions, has demonstrated a sincere and significant commitment to the service of our nation and to civic and community volunteerism, in much the same spirit as Dave Baker who faithfully served our country, community and organization throughout his life."

Low Pressure Sewer Systems

The progressing cavity drop-in replacement units are available in 230 V (1 or 2 HP) and 208 V (2 HP only). The replacement units are designed to be compatible with other progressing cavity systems, using a round or rectangular EQD plug, and a gooseneck or flex hose discharge configuration. Using Zoeller's quality standards and an innovative design will make for an easy replacement in existing systems with a reliable product.

Good Enough Isn't Good Enough

Just because something works
doesn't mean it can't be improved.

The historical industry standard for sodium hypochlorite (bleach) was 15% by volume or 12.5% by weight. However, Kuehne Company redefined industry standards when it introduced Concentrated Bleach.

Since the inception of Concentrated Bleach, early adopters have been enjoying its benefits from their first order and continue to reap the rewards – including **fewer deliveries, reduced costs**, and its **inherent safety**, as well as its **eco-friendly** nature.

At the Fiesta

An atmosphere of elegance and professional care with emphasis on personalized service, quality, and freshness sets the tone for the evening. Valet service, illuminated water fountains, and freshly cut strawberries in a fine champagne are just the start of an unforgettable affair.

Your Maitre'D will coordinate your affair with unparalleled attention to every detail. Personalized packages with choice of linen color, candle lit centerpieces, and chair covers are offered on all parties. Continuous waiter service adds to everyone's enjoyment. Premium liquors, elaborate cocktails and quality wines await you and your guests at your private bar. From start to finish Fiesta guarantees that you and your guests will enjoy every aspect of your affair. Fiesta has the experience and answers, all at affordable prices.

Known for fabulous food, impeccable service, and beautiful décor, Fiesta has long been the choice of future brides for over sixty years.

The owners, management and staff of Fiesta are grateful for the loyal patronage and support that has allowed us to serve the needs of our community for so many decades and we are committed to giving back in return. We are proud to support Table to Table - a community-based food rescue program that collects excess prepared and perishable food that would otherwise be discarded from caterers, restaurants, and other commercial kitchens. That food is delivered to organizations that serve the hungry in Bergen, Hudson, Essex and Passaic counties. It is our pleasure to help Table to Table accomplish its mission of redistributing fresh, nutritious food to those who need it most. For more information, please visit: www.tabletotable.org.
